All aboard for a relaxing winter railway journey to Virginia's legendary Homestead Resort....where the healing springs have soothed generations of visitors and the history of hospitality is older than the Declaration of Independence.

The festive Christmas season is the perfect time to visit one of America's long-time favorite resorts. Delight-in the finest of holiday décor and cuisine. Thousands of sparkling lights, miles of garland, endless Poinsettias and warm cracking fireplaces will be sure to get you in the holiday spirit!

This award winning resort, nestled on 3,000 acres in the scenic Allegheny Mountains of Virginia, bids a cordial winter welcome. The Homestead is renowned for its fine cuisine, lavish interior decor and grand public spaces. Breakfast and Dinner in the Main Dining Room are elegant events to remember. Choose to relax in one of many cozy lobby areas or participate in endless array of activities. It's a sporting playground for the entire family or a quiet retreat.
